REQUEST FOR WAIVER

We are requesting a waiver of the FCC form 471 filing window deadline for funding year 2013.

While completing the online application process, we encountered server errors (HTML, .NET i.e. strange code on the page) which delayed our ability to submit the application on time as we had to close and start again. Our application was submitted a few minutes after the deadline.

Thanks for your consideration.

A handwritten signature in dark ink, appearing to read "Chaim Brod", is written above the typed name.
